

A graphic of the Flutter logo, consisting of three overlapping chevron shapes in dark blue, medium blue, and light blue, pointing towards the top right.

Flutter

EUROPE

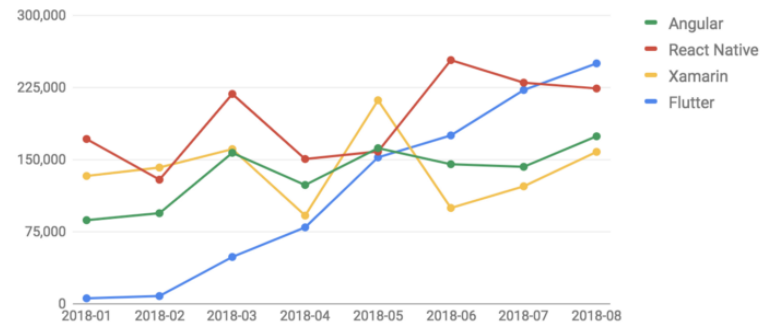

23-24 January 2020

the why: we think we know what is the future of mobile

Do you know which is the most **popular technology*** for 2018 and Q1 2019?

** based on Starred Github Repositories*

Do you know what is the main UI kit for Fuchsia, **new OS** developed by Google?

why we? we are community **LEADERS**

our vision:

we want Flutter to become **the first choice**
for mobile programmers all around the world
by showcasing **the best practices**
and case studies.

our vision:

to create **the best European Conference**
on Flutter and unite the community

about: our goals

we want to achieve ambitious targets

23-24 January
2020

Around 500
participants

Around 30 top-
class speakers

Trusted and
recognized
partners
